## CHAPTER 2 : ART OF CREATIVE TEACHING

4<sup>th</sup> March 2023 | 09.45 AM

One Day FDP on Effective Teaching Methodologies

## About Us

UKF Center for Advanced Research and Skill Development (U-CARS) is an interdisciplinary center functioning at UKF College of Engineering and Technology, Parippally, Kollam focuses on translation research activities. The activities under U-CARS are aligned to meet industrial standards and societal needs. The center aims to foster the comprehensive empowerment of the student community and the academic fraternity through regular technical and non-technical sessions by experts in the respective fields. With this broad vision, we organize an impressive talk series - "*U-Talk- Worth Listening*". The topic of the talk series will span numerous areas of current trends and relevance.

The second chapter of the U-Talk series is intended for the faculty members of engineering colleges across Kerala on the topic "Art of Creative Teaching" on 4th March 2023, Saturday at UKF College of Engineering and Technology, Parippally.
